Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The first alarm system is not up to code at the high school. There are no alarms or visuals in the high school office, district office, and two classrooms (102 and 122). There are no visuals in any of the classrooms. Shops are having a hard time knowing when the fire alarms are going off. There is one pull station that doesn't work. We had the local Fire Chief come and inspect our facility and has written up a report stating the facts he discovered.

Project Category: Special Systems

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Available Funding Source	Amount
Current unencumbered building renewal fund balance (Fund 690):	\$42.06
Current fiscal year building renewal expenditures:	\$0.00
Current balance of unrestricted capital:	\$96,880.13

Emergency Funding Application

Please outline any associated insurance coverage.

Of the current balance of unrestricted capital the entire amount has been allocated out to other projects. The deficiency in the fire alarm system is not damage but age of the system. Therefore, it is not covered by insurance.
